

CALLUM SCHULTZ

LEVEL DESIGNER

I'm a **junior level designer** and game developer from South Africa, finishing my **IIE Bachelor of Computer and Information Sciences in Game Design and Development at Emeris, Cape Town**. Outside of coursework I compete in **game jams** and build personal projects, and I've worked across level design, 2D and 3D art in both Unity and Unreal. I'm **open to junior and graduate roles from December 2026**.
